FIG. 38

The image shows a handheld device screen displaying an "Asset Form". The title bar at the top includes a window icon, the text "Asset Form", a speaker icon, the time "10:50", and an "ok" button. Below the title bar, the section "Asset Tag Data:" is followed by a table of asset information. The table has two columns: the left column contains labels and the right column contains values. The rows are: TagID: 1611068090, Name: Blood Sugar Monitor, Date Acquired: 8/7/2001, Type: Devices, Location: MAHA, Dept Ownership: Concept Rsch, Manufacturer: (empty), Description: (empty), Status: Contaminated, and Next PM Date: 11/13/2002. To the right of the table is a vertical scrollbar. Below the table is a navigation bar with left and right arrow buttons and a central area labeled "678". Below the navigation bar are three input fields: "Room/Location:" with the value "MAHA" and label "680", "Status:" with the value "Contaminated" and label "684", and "Field Name:" with an empty box. To the right of these fields are two dropdown menu icons, with labels "682" and "686" pointing to them. At the bottom of the form are two buttons: "Write Tag" (labeled "688") and "Exit" (labeled "690"). The very bottom of the screen is a dark bar with a keyboard icon and an up arrow icon, with label "672" pointing to it.

FIG. 39

The screenshot shows a handheld device screen with a title bar at the top. The title bar contains a window icon, the text "Asset Form", a speaker icon, the time "10:52", and an "ok" button. Below the title bar is a section labeled "Asset Tag Data:" containing a table with eight rows. The first row has "Dept. Ownership:" and "Concept Rsch". The second row has "Manufacturer:". The third row has "Description:". The fourth row has "Status:" and "Contaminated". The fifth row has "Next PM Date:" and "11/13/2002". The sixth row has "Supplier:". The seventh row has "Supplier Contact:". The eighth row has "Supplier Phone:". Below the table is a row with "Versus ID:". To the right of the table is a vertical scrollbar with a triangle at the top and a downward arrow at the bottom. Below the table is a row with a left arrow, a speaker icon, a text field containing "678", a right arrow, and a downward arrow. Below this row are three rows of labels and text fields. The first row has "Room/Location:" and "MAHA" followed by a text field containing "680". The second row has "Status:" and "Contaminated" followed by a text field containing "684". The third row has "Field Name:" and an empty text field. Below these rows are two buttons: "Write Tag" and "Exit". At the bottom of the screen is a dark bar with a keyboard icon and a triangle icon. Callouts point to various elements: 672 points to the entire screen, 674 points to the table, 676 points to the scrollbar, 678 points to the text field in the row below the table, 680 points to the text field in the "Room/Location:" row, 682 points to the downward arrow in the "Room/Location:" row, 684 points to the text field in the "Status:" row, 686 points to the downward arrow in the "Status:" row, 688 points to the keyboard icon, 690 points to the "Exit" button, and 692 points to the triangle icon.

FIG. 40

The image shows a handheld device screen displaying an "Asset Form". The top status bar includes a window icon, the title "Asset Form", a speaker icon, the time "10:58", and an "ok" button. The main content area is titled "Asset Tag Data:" and contains several fields: "Dept. Ownership:" with the value "Concept Rsch", "Manufacturer:", "Description:", "Status:" with the value "Contaminated", and "Next PM Date:" with the value "MAHA". Below these is a list of locations, with "MAHA Bathroom" selected. Other locations in the list include "Mark Hauffler Office", "Mid East Hallway", "Mis West Hallway", "Mike Cerimele Office", "Nurse Station", and "Pat Minelli Office". To the right of the list is a vertical scrollbar. Below the list is a "Room/Location:" field with the value "MAHA". Below that is a "Status:" field with the value "Contaminated". At the bottom, there is a "Field Name:" field, a "Write Tag" button, and an "Exit" button. A keyboard icon is visible in the bottom right corner. Various reference numerals are used to point to specific elements: 674 points to the "Supplier Contact" field, 678 points to the "Versus" field, 676 points to the "Description" field, 692 points to the "Mis West Hallway" location, 680 points to the "MAHA" room/location, 684 points to the "Contaminated" status, 682 points to the "MAHA Bathroom" location, 686 points to the "Status" field, 690 points to the "Exit" button, 688 points to the "Write Tag" button, and 672 points to the keyboard icon.

The figure shows a graphical user interface for an "Equipment Request Form". At the top, there is a header bar with a window icon, the title "Equipment Request Form", a speaker icon, the time "11:07", and an "ok" button. Below the header, there are three input fields: "Requesting Name:" with the value "Craig McNeely" and a reference number "698"; "Room/Location:" with the value "ICU" and a reference number "700", accompanied by a dropdown arrow (702); and "Request Type:" with the value "Devices" and a reference number "704", also accompanied by a dropdown arrow (706). Below these fields is a section titled "Equipment Requesting:" which contains a table with two columns: "Name" and "Description". The table lists three items: "Cathator" with description "Pressure R", "Thermometer" with description "Temp Then", and "Ventilator" with description "Breathing V". Below the table is a large empty box with a reference number "708". At the bottom of the form, there is a navigation bar with a left arrow, a list icon, a reference number "710", and a right arrow. Below this bar are three buttons: "Stat" (712), "Time:" (714) with a reference number "716", and "Today" (722). Below these buttons are two more buttons: "Post Request" (720) and "Exit" (718). At the very bottom, there is a dark bar with a reference number "720" and a keyboard icon (718).
